

University Budget Report

Detailed instalment and weekly plan, 2026–27

King’s College London | 21 September 2026–20 September 2027

Latest revision. Every scheduled payment is now identified within its category and its funding week. Partner visits are calculated as actual travel rather than a generic entertainment charge. University travel now includes the bus from home to the station and the return bus home on every campus/library day.

Measure	Revised amount
Gross modelled income	£11,238.00
Protected savings	£1,832.72
Planned spending	£8,371.70
Projected liquid balance at 20 September 2027	£1,033.58
Liquid + protected savings	£2,866.30

Category key. Subscriptions includes ChatGPT, Spotify, Monzo and all recurring bills. Food separates groceries from university/library meals. Entertainment now contains clothing, books and the reading-week trip only. Pets separates kitten food, litter and the one-off health payment. Travel separates university travel, buses and partner travel.

1 Fare method and what is now being counted

2026 working fare	Amount
Zones 1–4 7-Day 18+ Student Travelcard	£44.90
Zones 1–4 Monthly 18+ Student Travelcard	£172.50
Zones 1–5 7-Day 18+ Student Travelcard	£53.40
Zones 1–5 Monthly 18+ Student Travelcard	£205.10
Zones 1–4 PAYG daily cap	£12.80
Zones 1–5 PAYG daily cap	£15.30
Adult bus fare	£1.75 per boarding

University travel and buses

The model contains 161 university/library visits and therefore 322 bus boardings: one bus from home to the starting station and one bus home after the return journey. These bus journeys are not simply added on top of every rail fare:

- When a 7-Day or Monthly Travelcard is active, all London bus travel is included, so the incremental bus payment is £0.00.
- On PAYG university days, the Tube and both bus journeys are budgeted together at the Zones 1–4 daily cap of £12.80.
- Of the 161 campus/library days, 141 are covered by a Travelcard and 20 are budgeted as PAYG cap days.

Partner visits calculated manually

Each partner visit uses a Zones 1–4 Underground leg and a Zones 1–5 National Rail leg on Southern or Thameslink. Where a Zones 1–5 Travelcard is active, the visit is covered at no incremental cost. Otherwise the conservative budget ceiling is the combined Zones 1–5 PAYG daily cap of £15.30, assuming the same Oyster/contactless payment method is used throughout.

Partner-travel treatment	Visits	Budget
Covered by an active Zones 1–5 Travelcard	9	£0.00
PAYG at the Zones 1–5 daily cap	18	£275.40
Total partner visits	27	£275.40

Covered partner dates: 14 Dec; 11 Jan; 25 Jan; 8 Feb; 22 Feb; 8 Mar; 22 Mar; 19 Apr; 3 May.

PAYG partner dates: 21 Sep; 5 Oct; 19 Oct; 2 Nov; 16 Nov; 30 Nov; 28 Dec; 5 Apr; 17 May; 31 May; 14 Jun; 28 Jun; 12 Jul; 26 Jul; 9 Aug; 23 Aug; 6 Sep; 20 Sep.

Fare caveat. The £15.30 partner figure is a maximum daily cap rather than an exact station-to-station single fare. The actual charge can be lower, particularly when a Zones 1–4 Travelcard already covers most of the journey. Exact partner stations and travel times would be needed to calculate the extension fare rather than the conservative cap.

7 Controls and sources

- The first Maintenance Loan still has no savings transfer. Instalments 2 and 3 retain the 30% transfer to protected savings.
- The £75 cat-health payment remains in the opening week. Kitten food is £25 and litter is £15 every two weeks.
- The first-term reading-week trip remains budgeted at £300.
- Normal active teaching is budgeted at five university visits per week; January and May assessments use six; June library use uses three visits per week.
- University travel and university food stop from 1 July 2027, while subscriptions, bills, pets, clothing and partner travel continue.
- The 2026 TfL fares are working assumptions for the full plan. Any 2027 fare revision should be substituted when published.
- A Zones 1–5 Travelcard is valid on Underground, buses and National Rail inside its covered zones. The National Rail station must accept Oyster/contactless; this plan assumes the Southern or Thameslink partner route remains inside the London zonal PAYG area.
